**Breiðdalssetur**  
 Geology - Linguistics - History

The Breiðdalssetur Center is housed in the oldest building in the East Icelandic village of Breiðdalsvík where the local co-op store was operated from 1906 - 1957. The Center facilitates earth science and literary research focused on East Iceland, as well as exhibitions on the region's geology, linguistics and local history.

THE TINY TOWN OF  
**BREIÐDALSVÍK**  
 POPULATION 139

Journey back in time at The Old General Store (Kaupfélagið) in Breiðdalsvík. Built in 1906, it's a friendly place to stop for a coffee, shop for local merchandise and remember simpler days gone by.

Hotel Bláfelli is a tranquil oasis amid the rugged beauty of Breiðdalsvík. Enjoy rustic ambience in a comfortable setting ideal for exploring the surrounding wildlife and wilderness.

Adventures at Sea on board our traditional oak fishing boat. Sail with us on a relaxing cruise around the island of Breiðdalsvík for sea angling and a close-up seal and puffin watching.
